OBJECTIVE

Problem solver and strong communicator eager to prove my value and talent at an emerging company. Motivated to advance and expand my skill set through targeted mentorship and challenging project.

EDUCATION

B.Tech Computer Engineering   Pursuing
Shankersinh Vaghela Bapu Institute of Technology, Gandhinagar, Gujarat

H.S.C   March - 2020
Chanakya VidhyaMandir, Mansa, Gujarat

EXPERIENCE

Full Stack Developer - Intern   July 2023 - Present
The Special Character LTD.   *Ahmedabad , Gujarat*

- During my internship, I delved deep into Full Stack Development, honing my skills in Web-development and implementing key features. Working as a front-end developer and Back-end developer in a collaborative team setting, I contributed significantly to a project by crafting intuitive user interfaces and Header section.

PROJECTS

E-Commerce Website   GitHub

An e-commerce website is an online platform that facilitates the buying goods and services over the internet. It serves as a virtual marketplace where businesses and consumers can engage in electronic transactions. E-commerce websites typically include features such as product catalogs, shopping carts, secure payment gateways, and order processing systems.

Personal Portfolio   GitHub

Portfolio serves as a testament to my proficiency in HTML , CSS and JavaScript the foundational languages of modern web development.
